The Premises:

flat in very large block between Queensway and Bayswater tubes. Not the most salubrious flat I've ever been in, but certainly not the worst. There must be far too many occupants and visitors for the doorman seated after beyond the lift to be at all interested in little old me.

The Lady:

photos on the other site. 5'9" of long-legged, slinky, slim, alluring, sexy, sensual, blond(ish), blue eyed, beautiful, very very sexy, beautifully arsed, gorgeous thighs, fantastic arse, TITS. TITS. THE nicest arse I have groped ever. I mean EVER. Tempted to wait outside her block just to see her arse walk down the street.

The Story:

snogged, massaged both ways, had a laugh and more, sex and more sex. Owo - not normally of great interest to me, but she persuaded me and I'm very glad she did. Very impressed with her fascination with my balls. Great sense of humour and conversationalist (what?). If there is a nugget of craziness in your soul she will find it and play with it.

Abolute ringer for Pris (Darryl Hannah) in Blade Runner - but saves her athleticism for the bed. Seriously like this woman.
