Profile Name: Big Boobed, Bummed, Tummed Masseuse.

Website: <http://www.bethdeboers.com>

The Premises:

Her house is in a quiet road not far from the A14, plenty of parking nearby, clean, quite, felt very safe & comfortable. She obviously invests a lot of money in the house as new windows, freshly decorated.

The Lady:

Beth is exactly how she describes herself in her site & when you speak to her, a 5'2" blonde voluptuous hour glass shape with great 40dd boobs she is what she calls a big beautiful woman (she is very honest about her build) so you know what you are getting. She is in her late thirties but could pass for younger.

The Story:

She answered the door wearing a nice summer dress & high heels & a ready smile. After saying hello Barney she invited me in & I followed her upstairs, she chatted happily asking how my day was etc making me feel very welcome. After a nice shower I enjoyed a great massage from her hands & great boobs, all the time friendly chat, then I massaged her followed by great oral w/o, shagging in various positions & fantastic anal. She obviously enjoys her work, she was very active in the sex not just lying there. A very happy friendly lady. Finally she got in the shower with me & washed me down. Fantastic time booked in for next Saturday.
