### The Premises:

If you don't know the premises by now I suggest you ask your carer to take you there.

### The Lady:

It's not by chance that JJ is known as the Pocket Rocket, she is the indefatigable face of Ego.

### The Story:

The boundaries at Ego are well defined and you either respect them or go elsewhere. A 30 minute booking with JJ passed far too quickly, next time I will book for longer. The massage was exquisite, the eye contact ?par excellence? (yes, JJ can speak French!) and the experience not far short of sensational. If there were a ?smile-ometer? on the staircase, it would register 100% for every JJ client as they left.
