### The Premises:

Very peacefull and safe, spotless clean and welcoming, easy access.

### The Lady:

Mel is a size 14 and has a reputation of being easy to get along with, dark haired, 5'6", and has awesome boobs.

### The Story:

Mel and I e-mailed each other to agree that I would enter her flat, walk into the shower to freshen up, then throw her on the bed, which I did do and then spanked her bum, nothing was said as I took her upon my knee and spanked her more to make her bum glow, then I undressed her and slapped her boobs a bit, then her bum again and her face, I could tell Mel was enjoying this, so i then put her on the bed and gave her pussy a tongue lashing, which brought from her enjoyable noises.

It was a roleplay we agreed upon and I loved doing this, so a big thank you to Mel for allowing this to happen.

The second part of the booking, was her licking and giving oral, which was very good, and I returned the compliment by rimming her, and then watching as she came again, I ended up wanking into her mouth, which was then spilt down on to her face, and wiped dry on her ample boobs, what a brilliant booking.
