The Premises:

Flats behind stationers

Bit chaotic as was put into room with a broken window, then the repair man came, so got swapped about into a much nicer room. Place was nice and neat

The Lady:

WOW! What else can i say, she stunned me by being even more amazing then the pics!

The Story:

This was a day of firsts, first time at an establishment such as this, and first time ive gone black!

Once settled into the room, she came in, stripped naked - i just stood there staring - this was proper top shelf hot! she grabbed me and started full on dfk, couldnt keep my hands off her tight arse!

things progressed, bjm, 69 etc, then she rode me nice and slow, real slow and sexy, couldt keep my hands of them tits! She rode me to completion, OMG!

had a chat on the bed after, lovely girl, shame i cant find you listed anywhere now - i miss you!!
