The Premises:

Last time I came here it was a dump but against my better judgement I came back and it's still not a particularly nice establishment.

The Lady:

Blonde, slim, looks absolutely nothing like her online photos which was disappointing.

The Story:

Decided to visit la maison purely and simply because they offer a 20 minute service which suits me as most occasions I settle for owo and skip the intercourse so some establishments are quite pricey for a blowjob. Looked at cindy pictures online and thought great just my type and she had good reviews. Booked 20 mins and when she entered the room she looked like a different girl. I didn't have the heart to say thanks but Jo thanks but it was a big shock. I opted for owo and the service was rather good but I could not get past the fact this girl was not the stunner I was expecting. I don't want to be too critical of Cindy she was nice enough but a message to the owners of la maison, spend some money renevating the property get decent showers and attract great girls, this is all sandys do and they are without doubt the benchmark. If your looking for a cheap 20 minute service and ain't too fussy who you make out with this is the place for you. In future I won't scrimp on 60 quid I'll go sandys and have a wonderful half hour with a stunning young lady
