The Story:

I had seen Vivian's pictures and was hoping photoshop hadn't struck again but OMG when she opened the door I was blown away! She greeted me with a friendly but intimate peck and such a warm seductive smile I couldn't believe my luck to find that she is every bit as stunning in the flesh if not more so. ?She was wearing a short little dress that showed off her gorgeous figure and as I quickly sorted her "present" she could sense my hunger and bent down to take off her shoes to show me a perfect bum while looking back at me sexily. ?From there it was both frantic and slowly passionate action. ?I couldn't keep my hands off exploring her body and swiftly disposed of the dress after fondling her beneath it and pushed her gently back on the bed to enjoy what is possibly the greatest DATY I've experienced. She got so sweet and was moaning gently with pleasure, when she lifted her legs up to her chest then wide again I was in pure heaven and rock solid, which she sensed and seamlessly moved for the jacket so I stood by the bed and suited up. I lifted her legs up with her on her back and again couldn't believe my luck to be entering such a sweet tight peach. She seemed to really get into it and pulled me in deeper with her legs behind me and I soon collapsed on top of her. A quick wipe up, we chatted for a bit and it just flowed with no awkward moments into a second round of fondling and touching that quickly got me hard again. Next up she leant over to grab another jacket swaying her tight cleft beckoningly and asked for some doggy and oh boy, what and arse! I could have happily stayed there thinking it doesn't get any better, but then we switched into reverse cowgirl and the sight of her gorgeous tight bum slowly driving down on me and then moving to gyrate frantically to climax will live long in memory. I am hard pushed to think of her most redeeming feature, she is the perfect package. Stunningly gorgeous, cute, sexy, coy and demure all wrapped into the best little bundle of fun I've met in a long time, but possible the best bit is she is all natural unlike many EE girls and with no attitude. ?Treat her well guys and you will enjoy to the max. ?I am getting so turned on typing this I'm going to have to go and book her again

so that is a big yes to will I return, oh yes! Thank you Vivian, you are a rare and special genuine gem! X
