wow!! those eyes are mesmerising

Wow, just wow!!

she is stunning, her facial bone structure is just pure beauty

The Story:

i think im in love with this woman!!

in fact i was so taken aback by her sheer beauty that i was short on words which is unlike me.

had a shower before hand as i like to be clean, and was taken to a very clean room

when mia entered i knew i was going to enjoy myself

no man on this planet should go through life without experiencing her breast massage. im getting hard again just thinking about it

so much eye contact, and wow, those eyes you can just lose yourself in.

i then gave her oral, which i was complimented on, i absolutely loved this, and the taste of her cum was like pure honey.

i then had sex in missionary position, but im afraid i just couldn't last very long because the heat of the moment just got to me. i think it was the passionate kissing that did it.. shes a fantastic kisser, which made me cum in the condom (amazing skills to put it on with your mouth too)

i wish i lived closer to mk, as i would be there all the time.

i will definatly see her again.

the best punt ever, and worth every penny
