### The Story:

Had seen Lana's pictures for a while and decided to make a trip to my favorite place in Milton Keynes. Arrived slightly early which was not a problem - I was actually greeted at the door by Lana and we shared a lovely long kiss in the corridor. I was then led to a room and she left me briefly but returned With her Lipstick and it was now time for some fun!

I don't usually discuss bedroom antics but i was blown away by her enthusiasm to please me. I came away with 4 love bites on my body this evening - these are my trophies to remind me when i look in the mirror. Her kissing technique is spot on and she did very much enjoy me going down on her.

I was looking forward to SEX but due to getting too horny i squirted my juices a little too early... Nevermind!!

Lana was an excellent punt. Would recommend and will return so takecare till next time.

I am actually surprised she has not had any reports yet - so i promised her i will write her 1st....
