The Premises:

A very smart and spacious apartment in a safe area, only about 10 mins walk from the station. Shower facilities are available.

The Lady:

Yana is a statuesque Russian lady, in her mid twenties. size 8-10 with Long black hair, with a nice firm pair of breasts and a greaat ass. Looks exactly like the photos on her profile.

The Story:

On the spur of the moment decided to visit without knowing what girls were on the rora for that day. Decided to choose Yana based on her friendly attitude and that naughty look in her eyes, and it was a good choice.

Yana has a great body who certainly knows how to exploit it. She has a few tatoos which i do not have a problem with. Gave a great and long lasting BJ with constant eye contact. Also just loves sex, and kept demanding i keep going when i felt like taking a few mins break, A total nymphomaniac !!. The time just seemed to fly by and she Was also more than happy to allow me to CIM at the end of the meet, making sure she got every little drop out.

Given I had not seen Yana before was very happy with my choice and will be back again soon xxx
