The Premises:

Apartments directly next to Wembley central underground. Very busy street, but feels very anonymous which is nice. The apartment was very smart, and she kept it extremely clean.

The Lady:

Wow, she is beautiful. Exactly as her pictures. I've been looking for a while for a good pair of natural breasts and hers were great. Not large but definitely not small. Her body is slim and toned. Her bum was good, but nothing special.

The Story:

She has a nice personality, very friendly and playful. Beauty isn't a problem. As soon as I got in clothes were off and straight to owo, she was good. The sexual performance was ok, first missionary, no dfk. Then on top, that was good because her beautiful tits were in my face! Then doggy which was going to be great, but after a couple of minutes she said I was too big.

We'd be going for about 20 mins and I figured I'll bust, and then I'll have time for another go. But she was like "Don't come too soon, let the session last" and I knew what that meant, but fuck it, me being used to thai girls I ignored the implication that it was one cum and out. But after finishing missionary, she was like time for a massage and then you go. I was perfectly nice to her at the time, but in the back of my mind I was like for fucks sake. Serves me right for straying away from the thai girls. I only stray away because of the 150 standard. Anyway I had a shower and by the time I was out I checked my watch and it was 17.50 For at least 15 minutes there was just chat and nothing sexual. So I figured I paid for 1 hour and got about 20 minutes max. Would have been better going to a thai agency spending a 100 and getting a great service for 30 mins.

Her saving grace was her beauty, and she was a nice girl but unfortunately the deceptive nature of booking an hour and getting 20 mins is not gonna cut it. You can find her on the other site as jenniferSexy she used to be jennifer_crazy I think. I would like to recommend her because of her looks and I think she has potential to be good. If she had kept me for the full hour she would definitely be one of my regulars. This is where other girls have got it spot on, offer the services you actually enjoy/find acceptable then actually offer them. You will make a lot more money because we'll keep coming back.

I am going to reccomend her because of her looks and her personality, but her service was 50/50 .
