### The Story:

Adele kisses like her life depends on it, I was speechless, how she looked, how she touches, talks, kisses and what she does is all amazing.

Undressed each other, she asked me to lay down and immediately gave me the world's best oral, I couldnt help cumming in her mouth, she was incredible. We kissed more.

Then my turn, she has the best tasting pussy ever, she encourages more fingers and soon I have my whole fist inside her. Incredible.

Then she rode me reverse cowgirl, I had her doggy and then she sat on my. Ock and rode me til she came spectacularly.

More oral until we finished.

I have fallen for her... She is beautiful, a lovely person and great sense of humour. Wanted to take her away with me.
