The Premises:

Nicole lives in a decent and accessible part of Sheffield - all very quiet and discreet as they say. Plenty of parking outside and never felt unsafe for one moment.

The Lady:

Nicole is a stunner !! Beautiful face and fit body with firm breasts, good legs and amazingly lovely face. Could not fault her her looks in any way at all. She is proper model material. She also has a lovely tan which I always find attractive on a girl.

The Story:

I have seen Nicole many times in the last couple of years and she really is a lovely girl with a super personality. I normally go for a combination of humiliation and domination which Nicole is an expert in - she is very good at talking through different fantasies or scenarios. I love RO with Nicole - she has a lovely pussy and ass !! I normally finish with hand relief and me wanking - either way is great and it is a perfect punt.
