The Lady:

Adrianna is a beautiful girl. She is really well presented hair, tan, fit body mid 20's I would say. Very nice indeed infact.

The Story:

Adrianna took the time and trouble at the very start of the booking to establish exactly what I am into and what was required. I was well impressed with this approach as many girls don't bother with that and the punt can go wrong or not deliver what was required.

Adrianna started off with some pulling of my cock and balls from behind - always a nice warm up then did covered oral. She was very good at instructing me to take poppers which I love and was quite dominant which again worked very, very well. Once she got into the role there was no stopping her and I would describe the punt as near enough perfect.

Afterwards we had a lovely little chat, sorted the commercials out and I was on my way. All in all a great punt !!
