The Story:

I was shown to the room by the maid and offered an orange juice. Adele came in a few minutes later looking really sexy in her black underwear. After a quick snog, she asked me if there was anything I specifically wanted to do or anything I didn't like. We moved to the bed for more kissing and then she gave me a great blow job.

After I gave some attention to her boobs, we had sex in doggy which felt great and I could probably have climaxed then but there was still some time left so I stopped and we changed to her on top. Finally, she gave me another blow job with finished with CIM. She allowed my spunk to dribble onto my stomach.

Adele was very friendly and attentive all the way through. A great girl that I would like to see again.
