The Premises:

Really nice clean luxurious flat a couple of minutes from Notting Hill Gate tube station. Well stocked with refreshments. Busy central London location, perfectly safe and discrete.

The Lady:

Mata is a Goddess, plain and simple. Jaw-dropping body, awesome curves. Her body is perfection, warm and soft with smooth silky skin. She has a really beautiful face and a great personality and a wonderful naughty sense of humour. Everything about her is to die for.

The Story:

I have seen Mata several times now and every time she just blows my mind. She knows exactly how to make a man feel like the king of the world. She is sexy and sensual, and her fun personality and cheeky sense of humour make her a delight to be with. She also gives my legs the most incredible massage with her feet that no other lady can do. And she has an amazing drinks cabinet!

Mata is one of the finest escorts in London - or anywhere for that matter.
