The Premises:

As previously reported ground floor flat close to a small industrial estate. Allocated parking space. Felt very safe.

The Lady:

Tall and slim. Small tits but huge nipples one of which is pierced. Some tattoos in the small of her back. Fully shaven pussy.

The Story:

Very warm welcome and chatty whilst I got my kit off. Nice oily massage before turning over for OWO; which was great with deep throat. Put the condom on with her mouth to keep me hard. Reverse cow girl until I shot my load in her. Still time for a little more back massage before I left. No rush nice punt. I will be back.
