The Premises:

As ever, Annabella's is clean & tidy with what can only be described as the the hottest maids I have had the pleasure of meeting (nos 36, you know who i mean, she is WOW). The welcome is warm and friendly and this beautiful georgious blonde maid gets you horny before you start by just asking you what you want to drink!! (love you babe)

The Lady:

Pixie, well reported, my first time with her and she does not disappoint. Every compliment made in the past is well deserved and no wonder she has the title 'nos 1 escort'. Boys you have to see it to believe it, experience it and then pinch yourself to make sure you are not dreaming!!

The Story:

God, where does one start.

The fantastic looking sexy Pixie entered the room and what stands before you is perfection with a capital P. She walked straight up to me and put her tongue straight into my mouth. This is enough to make any man melt. Without hesitation I reciprocated and enjoyed this rather Bulgarian way of saying hello. She then checked to see if it was having the expected result and ofcourse it was.

Now I am not into PSE just a pure and simple GFE where I try to ensure that the 'lady' has as much fun without giving the impression of them being used for my pleasure only. Guys you know what I mean, if they are bone dry, they are probably not enjoying it and are thinking of england . Pixie, god bless her showed the signs of enjoyment that I recognise. (nice wet pussy)

After a few minutes of deep snogging and mutual pleasing of each others genatalia, Pixie decided it was time for some deep sucking and boy, this girl is 'THE BEST', no more needs to be said and I would have been happy for the whole half an hour to lie back and 'think of england' to extend the deep pleasure I was feeling.

During this time I could hear another lady room in a nearby room groaning rather loudly and this made me feel even hornier thinking of what she was experiencing (more of that later). This made

me realise I would not last if I allowed my little Pixie to carry on and I really wanted to know how tight her gorgeous pussy (which I had been fingering longingly) felt around my cock.

We therefore agreed that it was time for the jacket and I got this beautiful blonde to sit astride me facing each other whilst I entered her sweet love tube. Once I was inside, I lifted her with both my hands cupped around her perfect arse, placed her against the wall and fucked her slowly to start with but building speed. She seemed to love this deep penetration as my shaft and her body weight grinded her love button. Her moaning suggested real pleasure and I could feel her juices starting to flow. Time to place her on the bed and lift her legs for some deep shagging which again was well recieved by her groans and her telling me to fuck her harder and deeper. The climax was out of this world as I filled her (or the jacket) full of cum and it seemed to last for minutes. I felt her throbbing pussy and felt quite proud even if it was only pelvic floor muscles in action.

Unlike some, Pixie was happy to lie there for a few minutes to allow recovery before I gently removed my manhood from her, still rock hard from the experience. We kissed and thanked each other for a wonderful time. She took pleasure in cleaning me up and there was no clock watching, just sheer enjoyment of no commitment passionate sex. We talked as we dressed and even then there was still no rush to get me out of the room. What a girl, what an experience, Would I recommend, Abso-fucking-lutely.

As I finally reluctantly left the room, the earlier mentioned groaning lady walked out of the nearby room. Good god! 'another Angel from heaven'! Whilst I had managed to calm down after the best punt ever, this gorgeous brunette walked toward me stark naked with the most fantastic body and most gorgeous face. This lady goes by the name of Demi and I cant wait to check the schedule to see when she is next in for what I can only dream of as another fantastic time. Because of Demi, I walked out of Annabellas with yet another hard on and I was tempted to ring and immediately book her.

However Pixie, my darling Pixie had worn me out and I thought to myself another fantastic day to look forward to. Thank you Pixie for the most amazing session with an amazing lady, I will be back to rekindle our time together. Demi I look forward to meeting you, actually I cannot wait. To the maid, please make a comeback, I will be first in your diary.
