The Premises:

Have been here a few times and, as always is clean and tidy. Very quiet on Saturday in the street so no problems with arriving and departing

The Lady:

Slim brunette with nice figure, pleasant nature and good conversation

The Story:

Paid for full personal including kissing and body to body massage. Honestly, Ruby should not offer these if one kiss and a two second body to body massage is the extent of these services. Everything else was done so fast I found it hard to keep up (no pun intended). I will return to Directors Lodge in the future as I know this is a one off
