The Premises:

Previously reported on. Did seem a little expose in an industrial area.

The Lady:

Fantastic, one of the best enhancements I have had the pleasure to get to grips with. Slim size 8 and busty, with long blonde hair.

The Story:

A bit of an unusual establishment on the pricing structure. I got services included that I do not normally get included at other establishments, but was going to be charged extra for services normally included elsewhere.

Did I enjoy my time with Katie - yes I did very much. I did comment to her she had the body of an angel, but she assured me she was no angel and proved it.
