The Premises:

Met in a nice hotel in Kensington, nice suite, tidy, safe and discreet. Easy access from the tube and no bother getting in.

The Lady:

Its Kianna Dior what can i say. In the flesh Kianna is a funny sweet and gregarious women who will you put you at ease, and her Canadian accent is hot. Looks amazing and is really attractive, not at all what i was expecting. She 5'4 im 6"2 so perfect hieght and when she stands on the bed i get an eyefull of those spectacular boobs.

The Story:

I was a little nervous truth be told its not everyday you get to meet a porn legend. I was expecting something less than i got. But what i got was a chatty, bubbly funny and hot women. Kianna is as you see in her movies only her real personality and beauty dont come through as they do in real life.

I got a GFE experience par excellence, starting with some wine and a chat before lots of playing with her impressive body, lots of kissing, plenty of OWO, DATY and sex. Without doubt the best punt ive had. She's only her until the 11th so if you can make time to see her, awesome time.
