The Premises:

Flat was nice and well furnished

Did not feel comfortable or safe in her presence she seemed to have a rather volatile temper.

The Lady:

Different from the photos the photos were not her. They were stolen from <http://www.egotastic.com/photos/alice-goodwin-2012-topless-calendar/>

The Story:

Got there was rather nervous considering it was my first escort experience. Didn't realize till later her photos had been stolen from another site.

She told me to strip and lie on the bed and insisted she give me a hand job no kissing, no sex no touching. After I came nearly fifteen minutes into the session she told me to get dressed and leave.
