The Premises:

Nice little discreet studio flat. Nicely lit with candles. Clean and safe.

The Lady:

Late teens/early twenties. 5'6", olive skin, slim build, very pretty. I'd guess she's from the Balkans. Very sexy little tattoo on her waist. Gorgeous.

The Story:

After showering and taking care of the formalities I was invited to the massage table which was professional and not just a wooden bench. Proceeded to get a fantastic massage and would have paid for this alone. Once on my back Vanessa expertly got me hard and her naked body was certainly arousing. No oral as mentioned in an earlier report but the hand relief to completion was very good. Definitely one to remember and return to. I would have liked to have stayed for longer if I didn't need to get back to the office. Think I may take the afternoon off next time.
