The Story:

called up this place by chance and they recommended julia. she arrived just 5 mins late so that was brilliant unlike some others i've used!

julia's a great girl (lovely cowgirl) looking at her fresh nipples made me shoot my load too quickly. julia let me rest for a bit before she was all over me again. this time i took her from behind before finishing up in mish..a great time had by both. i just hope she's there again next time i call as these girls move around so fast.
