The Premises:

Suitable for the purpose, I wanted a shag not a property purchase.

The Lady:

Amazing enhanced boobs and nipples like stubbed out castellas that she loves to have pulled medium hard.

The Story:

This lady works in Nikkis place above the tile shop...those in the know know where and covers for Nikki wed and sat.

I rang for Nikki who I know well but it was her day off and thought I would try Maria for a first visit.

What a good decision! This lady is filth on legs, and nice legs too. She deepthroats like a champion whore and rimmed me so deep I thought my kidneys were being tickled! An older lady than average but no inhibitions like the younguns have!

She is amazing in the room and a gem of an accidental find. Go book her and fuck her...she loves it!
