### The Premises:

Been to the retreat before a while ago, and as it was kept in a clean and presentable condition with a safe atmosphere. Receptionist was helpful and friendly.

### The Lady:

Long dark hair that she let flow down her perfectly formed petite body. Extremely pretty and youthful face with sexy lips.

### The Story:

As my first time seeing Mistress Annabelle, I was initially very cautious.

Once we sorted everything out, I waited for her as instructed. With her imagination we got to do everything I hoped for (OW, caning, slapping and spanking) without it feeling like a script. Despite her age, she has an incredible amount of experience, and executed the session flawlessly. Annabelle has a certain presence about her that makes you feel reassured in her confidence.

My service felt entirely tailored. Towards the end of the appointment I found myself wishing I booked a longer appointment!

I will definitely be back to see her again in the near future.
