The Premises:

A well reported establishment. Highly possibly the best parlour in the Sheffield area. Ran efficiently and on a late Sunday afternoon, very quiet with all the girls available. The shower took a while to heat up, but I don't mind the cold personally. All very spacious and fresh laundry to hand.

The Lady:

Amy is a lovely lady, sporting a slim frame (size 8), and a 32D bust, all natural with silky-soft skin. A gentle sensual kisser, who enjoys being stroked and slowly pampered.

The Story:

Once again, a fleeting visit through the Steel-City offered me an opportunity to pop into one of my well-frequented venues. Amy is new to this establishment and she provided a very satisfactory service. No complaints at all in any region, and 'gentle' is the best adjective one can attribute to this lady. A light-massage was subsequently followed by some very exquisite soft kissing. Thereafter, mutual fondling with some OWO and my exploration of a lovely young lady's body. Several positions were enjoyed and Amy demonstrated her athleticism by her various agile postures.

A thoroughly enjoyable encounter and I think I brought the best out of her by the slow, gentle approach. A treat to savour and a tantalising dish to re-visit on a regular basis.
