The Premises:

A terraced house which normally has 3 girls to choose from every day. Perfectly safe.

The Lady:

Stunning Anglo-Indian lady. Lovely face and personality. Slim size 6-8, good tits, wearing matching bra and thong.

The Story:

Started off with very passionate french kissing and I fingered Sarah's lovely shaved cunt until she was dripping wet. Then really passionate sex in three positions with Sarah screaming her head off. This really was a true GFE.
