The Lady:

Skye is a young beautiful liverpool women, Never seen skye before but always wanted to so took my chance and went and seen her

The Story:

made a booking and then skye met me in the reception area in her beautiful matching underwear, Walking down the hall was a bit nervous as they had builders in but skye was very nice and had a beautiful bum to watch!

Got into the room and she just amazed me with her beautiful voice as we was both young had some things in common, Great oral skills she had and was brilliant at riding cock

I would say everybody goes there to see jasmine but really if you don't go see skye then you are really missing out fact!
