### The Story:

My thrid time of seeing Sally. Twice here and one at another MK location. I had booked the appointment at the last minute as I had a meeting cancel. I had not realised that the website was saying that Sally is retiring, so it was a lucky visit before December. Having given me a heart attack with the news, Sally soon put my mind to rest by telling me it is more of a sabbatical. Anyway, Sally was her usual charming self. Very welcoming, friendly and chatty. After a minor technical glitch, where we thought Sally would have to sign as the CD was playing up, A wonderful massage which left me feeling completely released of all tension. Am hoping to get back before she heads off for 6 months, but if not... have a fab time Sally... MK will miss you. xx
