### The Premises:

Newish smart rental apartment in nice area just off Bath Row (Granville St). Clean as a whistle, pleasant building, and her place was spotlessly clean. Lots of free street parking within yards.

### The Lady:

As usual, even better in the flesh than on her website. From the top; very pretty face with a lovely smile, lovely unblemished skin, old fashioned Marilyn Monroe type hourglass figure, great legs, fantastic arse, and the best bit is a huge pair of perfect natural boobs with lovely large and very sensitive nipples. She was dressed in a VERY short button up the front style dress that showed she had no underwear on! Her hygiene was perfect, with very little make up (not needed anyway), and a faint smell of body lotion on her skin, not overpowering perfume as some ladies I have met before.

### The Story:

This was my first visit to Sophie, so as always when visiting a new girl I was a bit anxious & it didn't help that I was a bit late (bloody German market!). But I needn't have worried. Her directions were spot on (even leaning out of the window to look for me & then direct me in on foot - bless her). When I got to the flat I was greeted with a vision on a short dress with a big smile & a peck on the cheek. She offered me a drink straight away & showed me into the bedroom. I had asked in advance for a shower, which was no problem & it was superbly clean & nice & hot in a nice little ensuite. She started by offering me a massage, which I accepted & was just a quick back rub (my choice because of lack of time after my late arrival), but she quickly stripped off & started rubbing her fantastic tits all over my back. I then turned over & a fantastic slow & extremely satisfying OWO ensued, and this girl certainly enjoys herself and is very good at it & even keeps eye contact (which I like). I then asked if she wanted some reverse oral, which she did & went down her fantastic sweet tasting shaven pussy. She seemed to enjoy herself too (which is always a bonus). On with the raincoat & a nice bit of cowgirl (watching those huge & perfect tits of hers bounce up & down are worth the money alone). We then finished with a superb 69 (her arse looks even better when it's directly above your face too!) which ended with me shooting a huge load into her mouth (she spits, which never bothers me anyway). After we had cleaned up we had a nice chat before I left about five minutes after my time should have been up. There was no clock watching at all, it was just as a punt should be - pleasant & Relaxing & I will definitely return. One of my top five punts so far & I am just glad I have found a new girl that I definitely want to go back to. I can't wait to try her mate Fabulous farah too & they also come as a package if you fancy it. Wow.....
