### The Premises:

The location is a private flat about a 5 minute walk from Edgware Road tube. The room itself is ok and comfortable.

### The Lady:

Soni is an attractive Anglo Indian girl, petite with a lovely bum and 32D (enhanced) boobs. She is very friendly and I had a great time with her.

### The Story:

The session consisted of a good massage with a few cc swipes and reach unders. When I turned over she put a condom on and gave me oral. It was very good and arousing. We had sex in two positions, from behind and missionary. I asked for a hand finish and it was a lovely finale.

Having the girls located in different areas in Central London is an excellent idea.
