Total hottie. Nice large breasts, and an all round great body. Very pretty face too.

The Story:

Not a kisser, and the blow job was covered, so we moved on fairly swiftly to sex. I got Caprice to bend over the bed, and I took her from behind. I had a lovely time playing with her buttocks while I was there. We then went into missionary and she soon started nagging me to come, which I'm never keen on (the nagging, that is). We removed the condom and spent the last few minutes titty fucking, which her breasts are perfect for. This was great, and the sperm came spurting out all over her. She was annoyed that some got on the bed. I was sorry about the extra laundry, but I would have thought this could be dealt with graciously as part of the service. Overall not bad for a half hour encounter, though.
