The Premises:

Basement flat on residential street. Mega squeaky gate, which isn't great if you're trying to be discreet.

The Lady:

Very sexy. No disappointment based on the photos. She was wearing a coloured fishnet body garment, which was a real turn on.

The Story:

On the way in, I briefly met Raisa, who I had been wanting to make an appointment with for a while. Now I definitely want to!

After my shower, Andrea started off with a striptease. Nice and playful. Although the blow job was uncovered, Andrea had a strict rule that I wasn't to take the initiative or even move at all while it was in progress. That's her call, of course, but a little disappointing. She fulfilled my request to rub my cock around her very pretty face, which I probably enjoyed more than the sucking.

We had sex in a couple of positions, and when we went to doggy she said something like "just let me know when you want to put it in my ass". Good girl!

However, just as I was starting to enjoy the anal sex, she called a halt to it, saying that she could only take it up the ass for a maximum of one minute, and that I should have come in that minute. Fair enough if she needs to stop, but I would have expected at least the offer to return part of the extra 50 quid that was paid specifically for the butt fucking.

We had a bit more vaginal sex, but I couldn't really get into it after the anal let down. She let me come in her mouth, but due to her BJ rules, the stimulation up to that point had to be by my hand.

She ran off with a mouthful of cum, presumably to get rid of it, and returned a while later. I wanted to pass the remaining time cuddling, but she said I should have booked the full hour. Thus she told me to get dressed a full 15 minutes before the end of the appointment.

She's a nice enough girl, but I just didn't think she provided the service. Clock watching would actually be fine, but not trying to end the encounter way before time.
