The Premises:

Shadow's flat is very nice just off Warren Street. I couldn't find the door number initially but called the agency and they were very helpful and gave me clear directions on the phone which made it easy to find.

The Lady:

I've seen Shadow a few times now and she is looking better than ever! She was wearing black PVC when she opened the door and looked really sexy!

The Story:

This session with Shadow was a really dirty and horny time! As soon as she opened the door she stuck her tongue down my throat and I enjoyed some real deep French kissing which I find rare with most Thai girls! She remembered me well, asked how I was, got me a drink and then we had a shower together. Lots of nice soapy massage and intimate body to body touching finished by an insanely deep blowjob where she had my cock all the way down her throat until she was gagging! I shot my load but she told me I came too early and I've been a naughty boy. She told me to lie down in the bathtub and then she told me to open my mouth. She told me to drink her love juice now and she urinated in my mouth. It actually tasted pretty good from Shadow and once she was done she washed me again.

Following this she took me back to the bedroom, changed into a different PVC outfit and pushed me down onto the bed and fucked me cowgirl. Feeling great I flipped her over and fucked her in lots of different ways. I finally finished with some hard anal and she took it like a champ.

Shadow is one of the naughtiest girls in the game right now and an amazing porn style experience!
