The Lady:

Very pretty petite blonde with a cracking body. Really cute, sweet personality, very friendly. Listed on various sites and Anya, Anna etc but booked through Admiral. Not often in this area of London, had time on my hands called a couple of agencies Admiral first to answer and said Anya free. Looked at her webpage and thought she'll do.

The Story:

Opened the door in a mini dress that didnt cover a lot, looked totally fuckable. Quick shower then straight into OWO which was excellent, almost had me in a few mins. Held back and went down on Anya, she seemed to enjoy this by the whimpers coming from her. More excellent OWO then on with the rubber, cowgirl first then rev cowgirl, pretty sure she came as she was soaking wet by this time. Doggy next, lovely bum and trim waist to admire and you bang away. Turned over for mish, again excellent as she FK deeply. I was almost there by this time, off the the rubber OWO & CIM to end, she didnt stop till till she got every last drop out of me. Shared shower before I went on my way. Great girl who Id recommend.
