The Story:

introduced to 2 ladies but chose demi, a really pretty girl with gorgeous short red hair. was led straight up stairs by demi into the room no waiting around, we entered the room together she shut the door behind us and we straight onto the bed. had initial massage before demi gave me some wonderful oral with, i then asked to return the favour but demi shook her head and stated she was going to ride my cock, i wasnt going to argue and so she did just that before we moved onto doggy style and then finally missionary. came across initially as being quite shy and distant. however, she was one hell of a good shag and seems to enjoy sex thats for sure.
