### The Premises:

Small studio flat on Praed Street. Weird common parts decorated with what looks like the inside of a volcano.

### The Lady:

Pictures on the Admiral site are reasonably accurate. Amusing looking dyed blonde lady her early/mid 20s. Not quite as petite as the photos suggest but still decently attractive.

### The Story:

Pleasant punt, enlivened by the presence of Margo's extremely small mouse-like dog that spent its time shagging my shoes whilst I shagged its owner. Fair enough.
