The Premises:

It was easy to find (although I did have to call the agency for help getting there as Googlemaps sent me the wrong direction!) And in a safe area.

The flat was clear and spacious. There was another girl in the living room area when I arrived. The room was tidy and had direct access to shower & toilet. Very nice indeed.

The Lady:

Although her face is blurred on the site, Myriam's face is gorgeous. Slavic features with beautiful eyes.

Her breasts are quite franky the best I have ever come across. They are enhanced but felt completely natural. This may be my first post on here & only my 3rd punt but quite frankly they were the best set I have ever come across including personal life. If anyone knows Velicity Von from porn, like hers but better looking & not as huge...perfect would say.

Slim body to go with that and a tight tight vagina. Great tan & allround beauty.

The Story:

After asking me what I wanted for xmas I replied 'those' and she promptly released her breasts from her bra and let me suck and nibble them to death. We french kissed for a while all whilst she looked in my eyes & wanked me off. She lay me on the bed and started OWO which went on for a glorious 10 minutes. She even sucked on my balls & let me suck on her fingers. Then she bent upwards & I rubbed her pussy whilst she sucked me off.

I had been preparing for the visit for a while so no wanking for a few days and I told her I wanted to CIM and then carry on for another grand finale. I was backing myself for a top performance! I told her to get on her knees & give me a standing bj which she did. I then unloaded a huge load right into her mouth and she sucked me until there was nothing left to give. She left to wash her mouth and when she came back let me suck her breasts until I was hard again. She again gave me OWO for another 10 mins, a titwank and smothered my face with her breast. Heaven.

We then climbed ontop & let me pull her close & went for it allst while she kissed me & spat in my mouth. Doggie followed & time was nearly up. She got back on her knees & gave me OWO and I tried my hardest for a 2nd load but no luck for me. For the last few mins the kindly sucked me off whilts I lay back & she gave it a mighty go for extra cum, and grunted when I could not deliver, poor girl.
