### The Premises:

Very comfortable flat with adequate facilities for everything.

### The Lady:

Very tall lady with lovely long blonde hair. I found Anastacia to be an attractive young lady with nice features.

Her stated age of 25 on the agency website seems very accurate.

### The Story:

Anastacia must be quite good at her job for me to see her twice. Yes, this was the second time I saw this lovely young lady from Latvia.

I am a lover of deep French kissing (DFK) and blonde ladies (but there are exceptions like Izabel who I love), and because Anastacia is a blonde who truly excels at DFK, I made sure that I repeated with her, which I did.

Anastacia may be from Latvia but her English is perfect. I had no problems communicating with her.

The girl is a shy and quiet type, but that does not mean she does not enjoy sex. I turned her on and she was like fire without being very vocal.

Anastacia is also very enthusiastic about providing oral. For a large part of my half hour with her, she gave me a superb wet blow job that got me on the verge.

This time Anastacia was hornier than the last time, so I asked her what she had for breakfast, and she jokingly said Oysters! The girl has a good sense of humour.

I can say many more positive things about Anastacia but I am not writing a book, so I will conclude by saying that this is one lady that provides top quality GFE, and who I definitely recommend.
