The Story:

I had seen Joy for a short while on a training day but now it was time to see all of her for a 1-1. She is very sexy and sensual takes time to listen to what you want. Cbt nipple and bottom play ensued with Joy talking and acting very erotically and sensually. She can go really Dom but i think her real strength is her teasing side which is not to say that you dont have to do what she says. She is a lovely sexy girl and i would reccomend her without hesitation.
