### The Premises:

GFE is a top establishment, clean, comfortable and recently refurbished rooms. For those of you who are familiar with Manchester's Sandy's, this is very similar, although the best difference here is that it's not as pressured as Sandy's and you don't feel rushed. Generally all the girls here are stunners as well.

### The Lady:

Candice is a petite sexy blonde, prob late 30's but not much good at guessing ages. Great figure with great tits. She is also friendly and chatty and puts you at ease quickly.

### The Story:

Started with Candice massaging my back and legs with some attention to my balls which got me going. Turned over for some kissing and Candice fondling my hard cock. Then onto some excellent OWO with me watching her perform on the mirrored ceiling. We then moved into 69 so I could carry on enjoying her oral while I returned the favour and she has a lovely pussy. On with the mac with her starting on top, gyrating on my cock. Changed to doggy where I pumped away hard to a brilliant climax. A nice chat after and then drove home with a stupid grin on my face and my legs shaking!

Thanks Candice - let's both carry on being selfish!
