### The Premises:

My Hotel

### The Lady:

Tall, slim , dark voice. Not English as stated on her profile.

### The Story:

Contacted the agency and asked for their recommendation for a smiling, friendly GFE and they suggested Kayla. I also specified that I wanted a girl that could arrive in a discrete manner.

She arrived in my decent / upscale hotel dressed like something between a street walker and a clown.

She immediately informed that this was one time, no touching, plain service. Started with something she called massage and after a few minutes I was unable to enjoy her company - waste of time and money.
