The Story:

Please don't waste your time and money with this girl. Not a very warm welcome, she rushed me to the bedroom. We chatted a bit but she was more interested watching television. As soon as I was on the bed she started a sloppy blow job. I wanted to touch her body, kiss her breast but she didn't let me to. When I looked at her breast, I noticed her breasts nipple were missing, pointing inward rather than outward. I normally wouldn't mind, if not for her terrible attitude, as she kept watching television not engaging in the act. When I penetrated her, she wanted me to stop after 5 mins and asked me to jerk off myself. I have never experienced this with any escort or any other girl before, so this was quite dissappointing. She rushed me out of the door within 20 mins. This left a very bad taste. Not recommended.
