The Story:

I had a wonderful time, I was a little nervous as this was my first time but I was immediately put at ease and can only describe her as sensational. I am still tingling thinking about her OWO and reverse oral, the feather like touch of her fingers and how gorgeous it felt when I was inside her. The best indication of how much I enjoyed my hour was that I came 4 times and genuinely didn't want to leave! She will definitely be someone I see again and again.
