The Lady:

Elsie is a beautiful woman - both physically and mentally. Her smile is genuine and her body is stunning.

The Story:

From the first contact and throughout the meeting, Elsie was extremely warm and friendly, with a great sense of humour. Perfect for a first timer such as myself. Once you get started, however, she does not hold back her sexuality, and knows exactly what buttons to press.

Elsie welcomed me at the front door looking amazing, and showed me to the bathroom so I could freshen up. I was initially nervous, but Elsie knows how to quickly make you feel at ease. I especially appreciated that she made sure never to separate me from my bag; that is just one example of how she makes every effort to ensure you feel comfortable. A true girlfriend experience.

We spent a while getting to know each other before she flirtatiously started to move things forward. Everything she did felt natural and I went with the flow. Elsie did not disappoint. Her oral skills are fantastic (both kissing and blow job) and she appeared to genuinely enjoy the attention I was giving her too! Elsie enjoys her job, and it shows.

The 1.5hrs flew past, and I was left wanting more. Elsie may be priced slightly higher than normal, but I promise you that she is worth it. Prefer a longer booking if you can - it is an unforgettable experience that really should not be rushed. As long as you show her the respect she deserves, you are bound to have a fantastic time. I will certainly be back for more in the future!
