### The Story:

Kim arrived punctually as arranged, dressed discreetly without a hint of the great figure underneath. Extremely friendly we soon got down to business, she gave me a great full body massage, teasing and caressing, probably one of the best massages I have had. Then when I turned over her hands grabbed my shaft before a fantastic blow job and then riding me until I came. No rush at all, an afternoon well spent. Look forward to seeing Kim again soon.
