The Premises:

It is a clean nice flat. She shares it with two other girls from the same agency. Half a block away from the Marylebone tube station.

The Lady:

I was disappointed by her real appearance. She has a beautiful face and nice skin. However, she is heavier than she appear in her pictures, and I prefer a girl with a slim tone figure. Her breast were full and perky and she has nice curves. She is just not my type.

The Story:

She was wearing a little black dress that could barely contain her figure. We initiated the session with some great somehow romantic kissing. I moved my hand between her legs and play with her clitoris while we keep kissing in a half hug laying in bed. I make her stand up and robe my hard on her ass and between her butt cheeks. I asked her to speak dirty in Polish and that was really hot. Then, she sat my on the bed and got on her knees to start a bbbj. Unfortunately, I had jerk off early in the morning and the night before and I notice my head being very sensitive. She stay there for a while and I was really hard but not ready to pop. I bring her to bed and we start in missionary where we had great rapport. We stay there for quite sometime while I enjoy being more in control. We moved then to doggy, where the vision of her ass and the movement of her hips got me really hard. Again, the events of the morning prevented me from coming. After a full hour of shagging I stop her to catch a break hoping for better luck. We talked for a little while and then we started kissing with her playing with my balls and me caressing her tits. She got my hard again and start trying different combinations of stroking but mostly licking and sucking, including fabulous deep throat for a whole half and hour, but at the end I did not come.

She is a really sweet girl who offers a great service. Would I visit her again? I don't know yet. I like girls who are slimmer, on the other hand I would love to finally come inside her mouth.
