The Premises:

The flat was in a safe area that was easy to find. Bathroom facilities and soft drinks are offered. The room itself was small (windowless) and the bed basic but overall I felt comfortable.

The Lady:

You can view her pictures on the website but they don't do her justice. She's much prettier in reality. I was presently surprised

The Story:

I paid for a basic hour with Vicky. I probably should've spent the extra ?20 for the VIP service which includes OWO and DFK but I was more interested in the massage and sex at the time. She gave me a decent massage (not the best) and then we moved onto the sex. Her pussy was tight and she was enthusiastic. Her handjob and oral skills are both very good but her English perhaps wasn't quite good enough to make this a true GFE but overall I left satisfied and would return.
