The Premises:

Clean, very easy to find. easy to get to by public transport or car as there is a huge multi storey car park 2 minutes walk away. Felt safe, there are a lot of people coming and going as it is quite busy. Felt safe both entering and leaving though.

The Lady:

Ladies. Both Thai, both sexy in their own ways. Dressed in black very short dresses. very pleasing to the eye.

The Story:

Had a 1 hour 4 handed massage, It was lovely, started off as a normal massage but then they started touching the more sensitive areas ;). after a good session on the back of my body i turned round for the front. More massage before the happy ending. Then more massage to finish. I came away feeling totally relaxed. Both Candy & Ya Ya are very friendly too. I will definately go back!
